Task Order No. 8  
Contract No. 605

### SCHEDULE

#### SCOPE OF WORK

The Contractor shall develop and fabricate an antenna-filter-detector system to cover the frequency range of 50 mc to 40,000 mc in accordance with Specification No. 59-A-1088-A, dated 30 April 1959, as modified by Attachment B thereto, each of which is incorporated herein by reference and made a part hereof.

The items to be delivered hereunder shall include the following:

<u>Deliverable Items</u>	<u>Description</u>	<u>Quantity</u>
Item 1	Complete Antenna-Filter-Detector Assembly covering the range of 50 mc to 40,000 mc and consisting of four antennas with crystal detectors and twelve filters, and equipment boards where required for the mounting of ancillary equipment	2 each
Item 2	Manufacturing Drawings, at least one set reproducible	2 each
Item 3	Operating and Maintenance manuals	6 each
Item 4	Monthly Engineering Progress Reports  The contractor shall prepare and forward to the contracting agency complete and comprehensive monthly progress reports outlining all experiments and the results thereof, and including diagrams, curves, and sketches as required for clarity	5 each (monthly)
Item 5	Final Engineering Report  The final engineering report shall present a comprehensive engineering analysis of the complete antenna-filter-detector system and shall also include the final test data. It shall not refer to material in the Monthly Progress Reports but shall stand as an independent unit in itself.	5 each

SECURITY

The actual equipment and the engineering reports under this Task Order are UNCLASSIFIED.

In the event any question may arise during the preliminary phases of the work and/or research concerning the security of the technical aspects, i.e., security classification of various component parts and/or related reports connected thereto, the Technical Representative of the Contracting Officer is authorized to furnish security guidance during this interim period.

This is only to be considered an authorized expedient and efficient means of resolving technical security problems by the Technical Representative of the Contracting Officer on the spot and is not to be construed as a waiver of the Contractor's responsibility to request formal written notification and/or authorization from the Contracting Officer prior to effecting any changes in over-all security classification of the contract, or item and/or reports being developed thereunder or the Contractor's Security Requirements, as agreed.

The association of the sponsor with the work being produced under this Task Order is classified SECRET. This classified information will be divulged only on a need-to-know basis and then only to those who have been authorized in writing by this Government component to have access to classified information.

Correspondence originated by the Contractor and/or other data to be submitted hereunder, the contents of which contains classified information or refers to the number of this Task Order and/or Contract, the name and/or address of the Contracting Officer shall be stamped by you with the classification of SECRET. Unless the first paragraph of this Security Article specifies the program, work or items hereunder are classified, all other correspondence and/or data, including reports, need not be classified.

REPORTS

Technical Progress Reports, a Final Report, manuals, drawings and similar data, as may be required under this Task Order shall be submitted at such time and in such format as may be specified by the Technical Representative of the Contracting Officer or may be as otherwise set forth in the "Scope of Work" article of this Schedule.

SHIPPING INSTRUCTIONS

Unless otherwise directed by the Contracting Officer, shipment of Item 1 herewith shall be made to the following address:

25X1

All deliverable items, if any, shall be packaged and crated, if applicable, in accordance with the Contractor's best domestic commercial practice or as further amplified by auxiliary specific instructions of the Contracting Officer.

In the event any material or items which may be concerned hereunder are, or may later become SECRET or CONFIDENTIAL and when the size or weight of such material or items classified SECRET or CONFIDENTIAL makes shipment by registered mail impracticable, commercial shipment should be made only by the Railway Express Agency "Protective Signature Service." The material must be securely crated and banded and prior to shipment the contractor shall advise the Contracting Officer of (1) the date the material will be shipped, (2) the approximate date of arrival, and (3) the approximate weight, size, and number of cartons. Bulk shipments of TOP SECRET material shall be made only in accordance with specific instructions which will be furnished the Contractor by the Contracting Officer upon notification that the material is ready for shipment.

INSPECTION

Inspection during the course of the Task Order, as well as the final inspection and acceptance of deliverable products, if any, hereunder shall be made by the Technical Representative of the Contracting Officer. Final acceptance of items deliverable hereunder, if any, shall be made after proper inspection at the FOB point designated in accordance with the stipulations of "Shipping Instructions" above.

GOVERNMENT FURNISHED EQUIPMENT

The Government shall furnish the following, as Government Furnished Equipment, to the Contractor for use in the performance of work under this Task Order:

CONFIDENTIAL

Polaroid Signal Generator SG-1218  
Polaroid EL-2 basic signal generator unit  
complete with G1822-1, G2225-1, G2427-1,  
G2730-1, G2933-1, G3336-1, and G3540  
tuning units to cover range of 1.5 to  
39.7 mc

The above equipment is subject to the provisions of Article 7 of the contract, entitled "Government Property."

GENERAL RESEARCH EXPENSE

Costs of research programs of a general nature will be acceptable to the extent found reasonable and allocable.

SPECIAL PROVISIONS

Articles customarily produced or assembled by the Contractor in the regular course of its business and supplied in connection with this contract, whether or not such articles are catalog items, will be billed by the Contractor and paid for hereunder at the Contractor's lowest fixed price chargeable to an outside purchaser for similar quantities under comparable terms and provisions providing no duplication of profit results from this method of billing.
